GUIDELINES FOR ABSTRACTS:

Preparation:

1. The abstract must be on original clinical/research work carried out by the authors themselves. No review of literature or compiling of work done by others will be accepted.
2. The abstracts must include clearly defined sections as follows: Introduction, Need for the study, Aim & Objectives, Method, Results & Discussion, and Summary & Conclusion (bibliography optional).
3. Please check your abstract for similarity with previously published works (i.e., plagiarism). **Only those papers having $\leq 25\%$ of similarity will be considered for review and possible acceptance.**

Submission:

4. The last date for submission of abstracts is **10th December 2021 till 11 PM. Abstracts submission portal will be deactivated after 11 PM on 10th December, 2021.** All abstracts should be submitted through online “*article submission*” module by logging into your memberpage www.ishaindia.org.in
5. The presenting author should be a life/ordinary/student member of ISHA. ISHA membership is mandatory for **ALL co-authors** who are Speech and Hearing professionals/students. Membership number and email ID need to be submitted while submitting the abstract online.
6. **Please note that new membership registration will not be provided from 30th November 2021 to 10th December 2021. Additionally, conversion of the 3 digit life membership number to the current 8 digit number will also not be done during this period.**
7. The author who submits the abstract will be the **PRESENTING and CORRESPONDING author**. No changes will be accepted after submission.
8. The 8-digit ISHA membership number should be entered during submission. Wait for your details to be updated on the ISHA website. **To avoid problems during submission of abstracts, it is advised to submit the documents well in time.**
9. All abstracts submitted by the due date will first be scrutinized for adherence to format guidelines. Only those abstracts that meet the guidelines will be considered for the subsequent review process.

Intimation of decision:

10. The corresponding author will be intimated by email about the selection of the abstract by **December 31, 2021**. Alternatively, the information will also be posted in the web portal of ISHA. If abstract is selected for presentation at the 53rd ISHACON, link will appear to submit full length article in the ‘*Article submission*’ section. REVIEW AND SELECTION PROCESS

Abstracts:

All abstracts will be reviewed by more than one reviewer. The outcome of this review process would be recommendations for 'accept' or 'reject'.

Full-length papers:

Prior to the commencement of the review process, a similarity (plagiarism) check would be performed on all full-length papers. Only those papers with a similarity index $\leq 25\%$ would be reviewed by more than one reviewer (and thus be eligible for possible awards) on the following aspects:

- a. The adherence to the preparation guidelines
- b. The logical organization of the content and substrates on which the outcome(s) is/are derived (e.g., study design, sample size, methods of data collection, analysis, and interpretation)
- c. The research/clinical impact of the study and
- d. The onsite evaluation
