INDIAN SPEECH AND HEARING ASSOCIATION

Dear Members

Wish you all a very Happy and Prosperous New Year!

On behalf of the Executive Committee of ISHA, I am pleased to present the updated ISHA directory 2008. This directory has the list of life members, their membership number, phone number, postal and e-mail address. It is expected that this directory will come handy in strengthening inter-professional communication and networking within and across disciplines. This will also be of abundant use in the implementation of national and state program in the country. It is requested that the change in address, e-mail and phone number, if any may please be communicated to the honorary secretary ISHA to ensure delivery of the posted material.

ISHA established its own office at the campus of AIISH, Mysore in 2007. AIISH is acknowledged for fulfilling the long cherished dream of ISHA about having its own office.

As a preparation to celebrating the Ruby Year of ISHA, an important step in the growth of ISHA was made by finalizing the vision and mission statements of ISHA in 2007. Several senior honorable ISHA members across the country participated in a workshop which was conducted through Video conference coordinated from AIISH, Mysore. AIISH, Mysore extended their videoconference network connecting Mysore with New Delhi, Mumbai, Imphal and Puducherry.

At this juncture of the Ruby year, we are indeed proud of the growth the ISHA has made in the last forty years. On behalf of the ISHA office bearers my sincere thanks to all the members for strengthening the association and its activities. Your continued active participation in the academic, administrative and financial aspects of ISHA is highly appreciated. With your support and with appropriate strategies of advocacy and lobbying ISHA has all potentials to become a council of its own soon. I seek the blessings of the ALMIGHTY to see this dream come true.
