# GLOBAL AUTISM CONFERENCE

## **A Confluence of Voices & Perspectives from the Indian Subcontinent.**

Erisha's first global autism conference brings together experts, educators, families, and advocates to explore **comprehensive, inclusive, and culturally** relevant approaches to autism. With a special focus on the Indian subcontinent, this three-day confluence will foster meaningful discussions, challenge existing narratives, and highlight innovative solutions for a more inclusive future.

Designed for parents, professionals, and students, this conference offers insightful dialogues, expert panels, and practical strategies aimed at empowering autistic individuals and their families. Through diverse perspectives and shared experiences, we are striving to build a more compassionate, supportive, and informed community for autism acceptance and advocacy.
