Learn with ISHA

ISHA announces a host of lectures/ seminars for its members in 2017 in the Webinar Learning Series. The aim is to provide continuing education and update the clinical practices. The series shall bring forward various topics on speech, language and hearing

Dr Prathibha Karanth PhD, is a Speech Language Pathologist with over 40 years of experience in several national institutions in India. She has had a long standing interest in language disorders, both in children and adults. She has worked extensively in the areas of adult aphasia, acquired dyslexias, learning disability, specific language impairment and communication in autism/pervasive developmental disorders. Her work covers the clinical aspects as well as research and training. She has popularized clinical therapy services for Autism and successfully.
